

Эй, не твоя я вообще
Не твоя я, не твоя я
Эй, не твоя я вообще
Не твоя я, не твоя я

I see ya blowin' me a kiss
It doesn't take a scientist
To understand what's going on, baby
If you see something in my eye
Let's not overanalyze
Don't go too deep with it, baby

So let it be what it'll be
Don't make a fuss and go crazy over you and me
Here's what I'll do, I'll play loose
Not like we have a date with destiny

It's just a little crush
Not like I faint every time we touch
It's just a little crush
Not like I faint every time we touch

It's just a little crush
Not like I faint every time we touch
It's just a little crush
Not like I faint every time we touch

Эй, не твоя я вообще
Не твоя я, не твоя я
Эй, не твоя я вообще
Не твоя я, не твоя я

It's raising my adrenaline
You're banging on a heart of tin
Please don't make too much of it, baby
You say the word "forevermore"
That's not what I'm looking for
All I can commit to is "maybe"

So let it be what it'll be
Don't make a fuss and go crazy over you and me
Here's what I'll do, I'll play loose
Not like we have a date with destiny

It's just a little crush
Not like I faint every time we touch
It's just a little crush
Not like I faint every time we touch

It's just a little crush
Not like I faint every time we touch
