

Hit Me

MARUV

So long
Caught up in this lame good byeing
You'll be gone
Thought I would be down and crying
Wrong, wrong, wrong
What a shame, I'm not your victim
So go ahead, go ahead hit me

Deny, no denying will be helpful
Try, try, try and play pretend I've had enough
Hard to tell what you've been thinking
So go ahead, go ahead hit me

It ain't love
Easy soldier
It ain't love
Not to bother
It ain't love
I am not your victim
So go ahead, go ahead hit me

It ain't love
Easy soldier
It ain't love
Not to bother
It ain't love
I am not your victim
So go ahead, go ahead hit me
No, no, no, no baby!
No, no, no, no!

It ain't love, no
It ain't love
It ain't love, no
No, no, no, no baby!
No, no, no, no!

It ain't love, no
It ain't love
It ain't love, no
No, no, no, no baby!
No, no, no, no!

Sometimes we forget that love is simply
Trust, trust
Bed of roses bleeding under us
How to tell who's here to fix it
So go ahead
Go ahead hit me

It ain't love
Easy soldier
It ain't love
Not to bother
It ain't love
I am not your victim
So go ahead, go ahead hit me

No, no, no, no baby!
No, no, no, no!

Traces of love
Are the scars on my heart
Squeezing and itching and tearing apart
Stood at the door you'll be out or stay
Pushing and pulling and walking away
Is it just me or you are full of shit
Gonna be awesome, play this on repeat
I am so over, so damn over you
Over you, under you, over you, under you

It ain't love baby
It ain't love baby
It ain't love baby
It ain't love baby

It ain't love baby
It ain't love baby
It ain't love baby
It ain't love baby
