

# I Am so Weak

MARUV

I am so weak when I'm with you  
Feeling myself when thinking 'bout you  
I am so weak, when I'm with you  
Hating myself while craving for you  
Craving for you, o-o-oh  
Craving for you, o-oh  
Craving for you, o-o-oh  
Craving for you, o-oh

Your smell's on me, I feel the heat  
Your touch is deep in my heartbeat  
My head is screaming me to run  
But all I want is your hard gun  
Gun, gun, gun  
Don't take it close to your heart  
Just bring it, baby, to my mouth  
Come here and get your sweetest treat  
Let me sip, let me lick  
Lick, lick, lick

How can I ignore  
When we are lying on the floor  
With my body in hot fever  
Begging you for more?

I am so weak when I'm with you  
Feeling myself when thinking 'bout you  
I am so weak when I'm with you  
Hating myself while craving for you  
Craving for you, o-o-oh  
Craving for you, o-oh  
Craving for you, o-o-oh  
Craving for you, o-oh

Let me go down  
Make you lose the ground  
Baby, just stay strong  
Hit me hard, it's not so wrong

Thank you for the tasty treat  
So sweet  
Baby, I don't need a receipt  
No need  
I still want your heat  
Hot, hot hit, hot, hot, hot hit

Hot, hot hit, hot, hot, hot hit  
So sweet, isn't it?  
Hot, hot hit, hot, hot, hot hit  
So sweet, isn't it?  
Hot, hot hit, hot, hot, hot hit  
So sweet, isn't it?  
Hot, hot hit, hot, hot, hot hit
