

Killing Me Softly

MARUV

If you need me badly in your life
If you promise to be on my side
I will give you all of me tonight
Be gentle, be kind

I've been looking for you all my life
You've just come from nowhere, made me rise
Over fears and undermining foes
I'm taken, I'm yours

Killing me softly with your smile
One more time
Is that a crime?
Killing me softly baby with your smile
One more time
Is that a crime?

A-a-a
A-ha
A-ha
A-ha

A-a-a
A-ha
A-ha
A-ha

If you wanna be a part of me
Let me see your fears and dry your tears
I will keep it from the storms outside
Be gentle, be kind

I've been looking for you all my life
You've just come from nowhere, made me rise
Over fears and undermining foes
I'm taken, I'm yours

Killing me softly with your smile
One more time
Is that a crime?

Killing me softly baby with your smile
One more time
Is that a crime?

A-a-a
A-ha
A-ha
A-ha

A-a-a
A-ha
A-ha
