Mon Amour

MARUV

(Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours)

Feel
My heart beats against the jacket
It's so tender, please don't break it
Kiss me slow
Hey
Guess we needed one night only
Time has stopped and drawn on slowly
Don't let go

Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours
Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours

Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours
Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours

I guess
Our love's not forever
Like you said, nobody's ever made you stay
Hey
When we end up in the darkness
You can get me out of distress
Have your way

Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours
Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours

Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours
Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours

Just one look at you
Just one kiss, so true
Just one chance to prove
Just one look at you
Just one kiss, so true
Just one chance to prove

Just one look at you
Just one kiss, so true
Just one chance to prove
Just one chance to prove
Just one look at you
Just one kiss, so true
Just one chance to prove

Just keep tellin' me
Mon amour, mon amour, mon amour

Mon amour, mon amour, tous les jours
Mon amour, mon amour, mon amour
Mon amour, mon amour, tous les jours
