

Need To Party

MARUV

Na na na na
Na na na na
Na na na na

There's a hole in my chest again because of you
Pride has let me down so mad
Walking on the edge of a blade, there's nothing I can do
Love you but, I won't be back

Gonna dance out all my pain on the dance floor
DJ, press replay. What are you waiting for?
Gonna dance out all my pain on the dance floor
DJ, press replay. What are you waiting for?

Need to party all night
And I'll be alright
Need to party all night
And I'll be alright
Need to party all night
Na na na na
Na na na na
Na na na na
And I'll be alright
Na na na na
Na na na na
Na na na na

It's not your fault that I wanted forever
It's not my fault that I want better
If you ask me to start over, I'll say: "Never"
Tears don't suit me, next time I'll be clever

Gonna dance out all my pain on the dance floor
DJ, press replay. What are you waiting for?
Gonna dance out all my pain on the dance floor
DJ, press replay. What are you waiting for?

Need to party all night
And I'll be alright
Need to party all night
And I'll be alright
Need to party all night
Na na na na
Na na na na
Na na na na
And I'll be alright
Na na na na
Na na na na
Na na na na

Na na na na
Na na na na
Na na na na

Na na na na
Na na na na
Na na na na

Gonna dance out all my pain on the dance floor
No, no pain
No, no pain

Gonna dance out all my pain on the dance floor
No, no pain
