

# Rich Bitch

MARUV

(Turn up the fire  
Turn up the fire)

Six inch hills and bloody shoes  
That's my style and that's my muse  
Hypnotic ladies and drunk groove  
That's how I'm making money move  
You use my name in all hot news  
I'm next to crime and sex abuse  
Why would I care? I'm fucking queen  
Doubling commas in my streams

You can't tell me nothin', bitch  
I'm beautiful, dirty and rich  
Beautiful, dirty and rich  
Beautiful, dirty and rich  
You can't tell me nothin', bitch  
I'm beautiful, dirty and rich  
Beautiful, dirty and rich  
Beautiful, dirty and rich

(Turn up the fire)  
Woop  
C'mon  
Woop  
(Turn up the fire)  
Woop  
C'mon  
Woop

You're moaning? Go and call your ma  
'Cause all you do is blah blah blah  
A leather collar 'round my neck  
Is gonna pay my check, check, check  
You pray for cash to mighty God  
So why don't you just shut, shut, shut  
At least you see me as I am  
I'm not behind some glitz and glam

You can't tell me nothin', bitch  
I'm beautiful, dirty and rich  
Beautiful, dirty and rich  
Beautiful, dirty and rich  
You can't tell me nothin', bitch  
I'm beautiful, dirty and rich  
Beautiful, dirty and rich  
Beautiful, dirty and rich

(Turn up the fire)  
Woop  
C'mon  
Woop
