

Shame On You

MARUV

I tell that he is near
And I can see it clear
Lighter in a fever
Cause you destroy my heat, don't

Shame, shame on you
Don't treat me like you do
Shame, shame on you
Shame, shame on you
Shame, shame on you
Don't treat me like you do
Shame, shame on you
Shame, shame on you

You're all accomplished deeper
You cry me like a river
Once you give me shivers
But now I gotta kill us

Shame, shame on you
Don't treat me like you do
Shame, shame on you
Shame, shame on you
Shame, shame on you
Don't treat me like you do
Shame, shame on you
Shame, shame on you

(Shame, shame)
(Shame, shame)
(Shame, shame)
(Shame, shame)
(Shame, shame)
(Shame, shame)
(Shame, shame)
(Shame, shame)

Shame on you
Shame on you
Shame on you
Shaaaaame

Shame, shame on you
Don't treat me like you do
Shame, shame on you
Shame, shame on you
Shame, shame on you
Don't treat me like you do
Shame, shame on you
Shame, shame on you
