

Drive

Marvelous 3

Turnpike, nursery pike, moon pie, black eye, why try, 75, 41, 2
85,
Have fun, flat tire, so tired, everybody's downtown,
Horse town smoggy, smoggy all around.
Golf put pigeon strut, wing nut, sand truck, 4, 6, 8 wheels.
Six flags and scrubby deals.

Make a reservation with the leather on your seat.
Skip the 4th and go straight to 5 baby;

(chorus) drive, drive, drive, drive.

Winnebago move aside, making room for double wide.
Roadkill ballerinas, smash a bug, fill up at fina.
Roadside preachers with a kickstand promise.

Make a reservation with the leather on your seat.
I love the way you cruise, so fly, so baby;

(chorus)

Are you going my way?
