

Falling In Love Again

Marvin Gaye

In this life of happiness and sadness
When you've lost out on love
And it all ends up in madness
And you say, Love, please go away
don't torture me, night and day
Then someone real someone who feel comes in.

Now I'm falling in love again
I'm falling in love again
I'm falling in love all over
I'm falling in love again
I found somebody who says she love me
I'm falling in love again, falling in love again, falling in love
ve
Once again

Hey baby
She's pretty, outside and in
She's so wonderful
I tried not to let my heart slip in
But what to do, baby, what could I do
When somebody real comes in
Someone you feel comes in

Now I'm falling in love again
I'm falling in love again
I found somebody who says she love me
Im falling in love, in love, awww beautiful woman
I'm falling in love again, oh i think i've fallen in love again

Love is so great, baby
so love me as if there was no
tomorrow (there is no tomorrow)
so let's have a toast (see you later)
and whisper
i love you

I
Love
You.
