# If I Could Build My Whole World Around You

**Marvin Gaye**

If I could build my whole world around you, darling

First I'd put heaven by your side
Pretty flowers would grow wherever you walk, honey
And over your head would be the bluest sky
And I'd take every drop of rain
And wash all your troubles away
I'd have the whole world built around you
And that would be all right, oh yes it would

If I could build my whole world around you, darling

I'd make your eyes the morning sun
I'd put so much love where there is sorrow
I'd put joy where there's never been love
And I'd give my love to you
To keep for the rest of your life
And happiness would surely be ours
And that would be all right, oh yes it would

Doo doo doo doo

If I could build my whole world around you, darling

I'd give you the greatest gift any woman could possess
And I'd step into this world you've created
And give you true love and tenderness
And there'd be something new with every tomorrow
To make this world better as days go by

If I could build my whole world around you, darling
