

It's Got To Be A Miracle (This Thing Called Love)

Marvin Gaye

[KW:] All it takes is 2 hearts that care

[MG:] Sprinkle just a little tenderness there

[KW:] And like the tiny grains of sand that build a mountain so high

[MG:] Each tender moment builds love between a girl & guy

[BOTH:] It's got to be a miracle, this thing called love

Never never never let go, this thing called love

[KW:] Take a boy like you & a girl like me

[MG:] 2 lonely people we used to be

[KW:] We shared a little time, tears & laughter

[MG:] It seems that we will be happy ever after

[KW:] All it takes is 2 arms that know

[MG:] They gotta hold you, baby, & never let go

[KW:] Throw in a lover's quarrel & it's sealed with a kiss

[MG:] We know that heaven must be like this

[BOTH:] It's got to be a miracle, this thing called love

Never never never let go, this thing called love

[KW:] I used to wander, I used to roam

[MG:] Like a ship in a stormin' sea, tryin' to get home

[KW:] When we found each other, heaven found a way

[MG:] 'Cause you were the dawn of a bright sunny day

[KW:] All it takes is just a little time

[MG:] 3 little words, baby, that mean "Will you will be mine?"

[KW:] Add a few tears 2 lovers will shed

[MG:] & every sweet word that's ever been said

[BOTH:] It's got to be a miracle, this thing called love

Never never never let go, this thing called love

[KW:] Take a girl like me & a boy like you

[MG:] Long lonely hours we once knew

[KW:] We have each other & live what life's worth

[MG:] All love is strong enough to move heaven & earth

[BOTH:] It's got to be a miracle, this thing called love

Never never never let go, this thing called love
