

No Good Without You

Marvin Gaye

Wo oh wo oh, wo oh wo oh

What good would a rose be if the raindrops didn't fall?
What good is a telephone if there's no one to call?
What good is a wedding if no one says "I do"?
Tell me, baby what good am I without you?

Wo oh wo oh, wo oh wo oh

What good is a flier if he don't have a plane?
What good is a doctor if he can't cure the pain?
Tell me, what good is a sweetheart
Who proves to be untrue?
What good, baby, am I without you?
I'm no good without you, and
There's one thing I know

I just got to have you
Darling, cause I love you so

What good is living without the one you love?

And what good is the heavens
Without the stars above?

What good is a true heart that
Proves to be broken in two?

What good
Baby, am I without you?
