

That's How It Is (Since You've Been Gone)

Marvin Gaye

Oh baby, there's a letter on the floor
That I just can't read no more
Cause the words upon its face are saying goodbye
There's a plate upon the table
Filled with food I could not eat
There's a made-up bed in the bedroom where I couldn't sleep
I just sit & weep

Oh baby, that's how it is since you've been gone
That's how it is, I'm so all alone

Now the curtains are drawn in my lonely room
And the darkness fills the air
And this old empty heart of mine is in despair
Even though the tears I shed
Washed the words away
I could still remember every word you had to say
They just wouldn't go away

Oh baby, that's how it is since you've been gone
That's how it is, I'm so all alone

Oh baby, you knew right from the start
That my heart was in your hands
And your every, every wish, boy, was my command
That's why I can't understand
How you could leave me here helpless, dear
Alone & afraid, oh how could such a mistake be made?

Oh baby, that's how it is since you've been gone
That's how it is, I'm so all alone

Oh baby, that's how it is since you've been gone
That's how it is, I'm so all alone
