

# This Magic Moment

Marvin Gaye

This magic moment, so different then so new  
Was like any other until I kissed you  
And then it happened, hell, it took me by surprise  
I knew that you felt it too by the look in your eyes

Sweeter than wine  
Softer than the summer night  
Everything I want, I have  
Whenever I hold you tight

This magic moment  
While your lips are close to mine  
Will last forever, baby  
Forever till the end, the end of time

Oh, oh, baby, this magic moment  
Oh, baby

Ooh, sweeter than wine  
Softer than the summer night  
Everything I want, I have  
Whenever I hold you tight

This magic moment  
While your lips are close to mine  
Will last forever, baby  
Forever till the end of time

Oh, oh, baby, oh, honey  
Oh, I know we'll last, we'll last, we'll last, we'll last forever  
Oh, this magic moment, oh, gonna last forever, baby  
Oh, I know, I know
