

Close To You

Marvin Sapp

Out of my sight, out of my sight
Out of my sight, out of my sight
Out of my sight, out of my sight
Out of my sight, out of my sight

Been some time
All these years have gone by since we met
In my mind
Not a moment has gone by that I regret

Well, I believe in heaven
Heaven is where You are
Where You lead me, I'll follow
I would die if we'd ever part so I gotta stay

Gotta stay close to You
Stay with Your every move
Stay with Your every move
Stay in Your shadow

If You're outta my sight, I lose
Oh, gotta stay close to You
Gotta stay close to You

Lord, You have been a very present aid
In times of need
Now I realize that there is no greater love
That I have seen

Well, I believe in living
And light is from where You are
Your love is ever giving
So I'll sacrifice every part of my being
Just to be close to You, Lord

Gotta stay close to You
Under your every move
Stay with Your every move
Stay in Your shadow

If You're outta my sight, I lose
I don't wanna lose, no, no
Gotta stay close to You
Gotta stay close to You

Gotta stay close to You
Under Your every move
Stay with your every move

If You're outta my sight, I lose
Gotta stay close to You
Gotta stay close to You

I will always follow where You lead
You just show me the way
Until the end, gotta stay close, stay close
Stay close, stay close to You

Gotta stay close to You
Stay with Your every move
If You're outta my sight, I lose
Gotta stay close to You

Close to You, Lord, to You
Follow where you lead me
Show me the way

Close to You, Lord, to You
Follow where you lead me
Show me the way

Close to You, Lord, to You
Follow where you lead me
Show me the way

Close to You, Lord, to You
Follow where you lead
