

# Don't Be Afraid

Marvin Sapp

Why do you stay there  
When you've been in this place for far too long  
And you've been told to just move on  
The longer you wait and sit  
The more frustrated you get  
Don't be scared to move  
Your new level is waiting on you

Don't be afraid  
To walk through the door that He has for you  
Know that the Lord, He will see you through  
Don't be afraid  
Don't be afraid  
To walk through the door that He has for you  
Know that the Lord's made a way for you  
Don't be afraid  
Don't be afraid

You're tired of the way you're feeling  
You've been living life with no meaning  
You're in search of the joy you've been dreaming  
So if you're ready to soar  
Just look towards the door  
Start running and waiting no more

Don't be afraid  
To walk through the door that He has for you  
Know that the Lord, He will see you through  
Don't be afraid  
Don't be afraid  
To walk through the door that He has for you  
Know that the Lord's made a way for you  
Don't be afraid  
Don't be afraid

For the Lord has not given the spirit of fear  
But a sound mind (sound mind)  
So dust off your shoulders  
And wipe those tears  
This is your time

Don't be afraid...

There's joy on the other side...

There's peace on the other side...

Don't be afraid  
To walk through the door that He has for you  
Know that the Lord, He will see you through  
Don't be afraid  
Don't be afraid  
To walk through the door that He has for you  
Know that the Lord's made a way for you  
Don't be afraid  
Don't be afraid...
