

Everything That I Am

Marvin Sapp

More than anything else, I long to see Your face
More than fame or wealth, I want to know Your way
Surround me with Your love that never ends
I find hope and safety in Your arms

Everything I ever want, I find inside of You
Everything I ever need, my heart belongs to You
Let every breath I take draw me closer to You
Lord I live, I live my life for You

I want to feel Your presence over and over again
Discover Your wisdom, power and strength
Let my life speak of Your greatness
Take control, only You can make me whole

Everything I ever want, I find inside of You
Everything I ever need, my heart belongs to You
Let every breath I take draw me closer to You
Lord I live, I live my life for You

Open my eyes
Renew my mind
Reveal to me Your perfect will
I surrender my all
Come and rescue my soul
You're my Savior, my King, You are my All

Oh yeah

You're the reason why I live
You are the reason why I breathe
You're my everlasting Lord
Everything I am

Everything I ever want, I find inside of You
Everything I ever need, my heart belongs to You
Let every breath I take draw me closer to You
Lord I live, I live my life for You

Everything I ever want, I find inside of You
Everything I ever need, my heart belongs to You
Let every breath I take draw me closer to You
Lord I live, I live my life for You
