

Face to Face

Marvin Sapp

Listen my family
I want you to understand the significance of the shed blood of Jesus Christ
It gives us access
Listen to the words

Who am I Lord, that you call me friend
Call me friend
And overtime you've proven in you I can depend
I can depend
I am overwhelmed every day by your loving grace
Your Grace
And I am thankful for your loving kindness
You tore the veil so we can meet with you

Face to face
Now we can we worship you
With no limits and no boundaries
Face to face
Because of the blood of Christ
You see him and not us not our sin and shame

Who am I Lord that you call me friend
Call me friend
And overtime you've proven in you I can depend
I can depend
I am overwhelmed every day by your loving grace
Your Grace
And I am thankful for your loving kindness
You tore the veil so we can meet with you

Face to face
Now we can worship you
With no limits and no boundaries
Face to face
Because of the blood of Christ
You see Him and not us not our sin and shame

Thank you for blood that covers
Thank you for the time you spent on the cross
Lord Jesus you are the lover of my soul
Thank you for the blood that covers
Thank you for the time you spent on the cross
Lord Jesus you are the lover of my soul

Face to face
Now we can worship you
With no limits and no boundaries
Face to face
Because of the blood of Christ
You see him and not us not our sin and shame

Oh oh oh oh oh oh oh oh face to face
Oh oh oh oh oh oh oh oh face to face
Oh oh oh oh oh oh oh oh face to face

Now we can worship you
In your presence here with you

Face to face
Now we can worship you
In your presence here with you
Face to face

Now we can worship you
With no limits and no boundaries
Face to face
Because of the blood of Christ
You see him and not us not our sin and shame

Thanks for the blood that covers
I got to say thank you Lord

I'm so grateful that you don't see
All of the things that we have done wrong
But when you look at us we see your blood
And it gives us access
Face to face
