

# Greater

Marvin Sapp

I'm not sorry to say this but I'm leaving  
I'm heading for greatness, more exceeding  
To this place in my life I'm waving bye bye

I'm pressing on, I'm moving on  
I'm moving from great to greater  
On a mission to prosper  
I'm moving from great to greater  
Kingdom blessings and favor

So I'll follow boldy, where he leads me  
He already told me, he would keep me  
I can't go back to the life, I'm waving bye bye

I'm pressing on, I'm moving on  
I'm moving from great to greater  
On a mission to prosper  
I'm moving from great to greater  
Kingdom blessings and favor

He's calling me to greater  
He's calling me to greater  
He's calling me to greater  
Said he's calling me, he's calling me  
He's calling me to greater  
He's calling me to greater  
He's calling me to greater  
Said he's calling me, he's calling me

So to this place in my life I'm waving bye bye  
I'm pressing on, I'm moving on  
I'm moving from great to greater  
Great to greater, God's got something greater for me  
(It's time for greater, yep, it's time for greater  
I'm about to keep it moving) Can I tell you what I'm doing?

I'm moving, I'm moving  
I'm moving from great to greater  
I'm moving, I'm moving  
I'm moving from great to greater  
I'm moving, I'm moving  
I'm moving from great to greater  
I'm moving, I'm moving  
I'm moving from great to greater  
So long, farewell  
I'm moving from great to greater  
So long, farewell  
I'm moving from great to greater  
I'm moving, I'm moving  
I'm moving from great to greater  
I'm moving, I'm moving  
I'm moving from great to greater  
So long, farewell  
I'm moving from great to greater  
So long, farewell  
I'm moving from great to greater  
(Woo that's it right there)

I'm moving, moving, yes I'm moving, moving to greater  
(That's ridiculous, bye y'all)
