Your word hasn't changed yet
So my heart remains on you
I heard what you said and
Every word is true (yes it it)
I won't be distracted anymore
I will set my focus on the word
Of the Lord

Holding on
Won't let go of your promise
I'm Holding on
I won't let go of your promise

It's a guarantee
What you have for me
It's a guarantee
What you have for me

What you have for me

For I will fix my heart on you
I'm evidence, I'm living proof
For I will fix my heart on you
Nothing can change
What I've seen you do

What I've seen you do
Nothing can change
What I've seen you do
