

# Honor and Glory

Marvin Sapp

Honor and glory, power and majesty  
We offer praises forever to our king  
Honor and glory, power and majesty  
We offer praises forever

Come magnify, lets lift his name high  
Acknowledging his greatness, declaring Adonai  
For he is worthy of sincere praise  
Adoration and honor to the ancient of days  
We give him

Honor and glory, power and majesty  
We offer praises forever to our king  
Honor and glory, power and majesty  
We offer praises forever

He's a wonderful counsellor, everything I need  
None can compare to the splendour of the king of kings  
For he's my hope, my help and my joy  
I have no other choice, that's why I lift my voice and give him

Honor and glory, power and majesty  
We offer praises forever to our king  
Honor and glory, power and majesty  
We offer praises forever

Take it to the bridge, say  
Ohh  
Sing it again, sing it again  
Ohh  
One more time, one more time  
Ohh  
When I think of what he did for me, I gotta say  
Ohh  
Ohh, now I need your help, help me  
Ohh, magnify the Lord with me  
Let us exalt his name together  
And then just help me praise him  
Lift your voices (hey)  
Ohh, magnify the Lord with me  
Let us exalt his name together  
Take me up, ohh  
Ohh, magnify the Lord with me  
Let us exalt his name together  
Lift his name, magnify him, sing it again  
Ohh, magnify the Lord with me  
Let us exalt his name together  
Bless his name  
Take me up, ohh  
Ohh, magnify the Lord with me  
Let us exalt his name together  
When I think of the goodness of Jesus, I gotta say  
Ohh, magnify the Lord with me  
Let us exalt his name together  
Bless his name  
Lift your voice  
Let us exalt his name together

You better, you better  
Lift your voice  
And make a joyful noise onto the Lord  
Let us exalt his name together  
Oh he's worthy, oh so worthy  
Lift your voice  
And just open your mouth and bless the Lord  
Say he's worthy, oh so worthy  
Lift your voice  
And bless him at all times  
Let us exalt his name together  
Let his praise, continually be your mouth  
Lift your voice  
C'mon and lift your voice  
Cry out, declare it, declare it  
He's worthy lift your voice  
Lift your voice  
Let us exalt his name together  
Help me praise him  
Everybody lift your voice  
C'mon give him glory right here right now

Lift your voice  
Magnify, purify  
And help me praise him  
Lift your voice  
Lift your voice, for he is worthy  
Worthy of all praise, all honor  
Lift your voice, lift your voice  
Bless him, bless him at all times
