

## In His Presence

Marvin Sapp

In Your presence there is fullness of joy,  
At His right hand, there are pleasures ever more;  
As we dwell within your gates,  
Your holy name we celebrate!

I was glad when, they said unto me,  
Come and dwell, in that place where You will be;  
As we stand on holy ground,  
And with the angels we resound!

There is joy in Your presence,  
Peace in Your presence;  
That's where I want to be say,  
That's where I want to be [x2]

So I will enter into Your gates with thanksgiving,  
In Your courts, I will lift my hands and sing;  
We will bless Your holy name,  
Your greatness we proclaim!

I will sing unto You a brand new song,  
Shout with triumph and dance before Your throne;  
Rejoice in You always,  
You are the strength of all my days!

For I found out,

There is joy in Your presence,  
Peace in Your presence;  
That's where I want to be say,  
That's where I want to be [x4]

I know there's healing, right there,  
And deliverance, right there;  
And that is where I want to be  
And that is where I want to be [x2]

In your presence [x4]

Right there [x4]
