

More And More

Marvin Sapp

Lord I know I don't deserve your goodness
All of the love you show me each and every day
Exceeding above all I can ask for
What can I give to you
My heart my life and all my praise

I wanna give you more and more
And more and so much more
You keep giving and never take away
I wanna give you more and more
And more and so much more
All I have is yours for the rest of my days

Your blessings are always overwhelming
I could never give you more than you give me
But there's one thing that
I can give back to you
I'll worship you only, throughout eternity

I wanna give you more and more
And more and so much more
You keep giving and never take away
I wanna give you more and more
And more and so much more
All I have is yours for the rest of my days

What can I do for you
What can I be for you
What can I give to you
What shall I render
