

# My Testimony

Marvin Sapp

So glad I made it,  
I made it through  
In spite of the storm and rain, heartache and pain  
Still I'm declaring  
That I made it through  
See, I didn't lose

Experience lost at a major cost  
But I never lost faith in you

So if you see me cry,  
It's just a sign that I'm  
I'm still alive  
I got some scars, but I'm still alive  
In spite of calamity,  
He still has a plan for me  
And it's working for my good  
And it's building my testimony

[Chorus:]

So glad I made it,  
I made it through  
In spite of the storm and rain, heartache and pain  
I'm still alive to say  
I made it through

I didn't lose  
Experienced lost at a major cost,  
But I never lost faith in you

I'm so glad I made it  
So glad I made it  
I made it thru  
I made it thru

[Chorus: 5 times]

So glad I made it  
So glad I made it  
I made it thru  
I made it thru  
Oohh,

So glad I made it  
So glad I made it

I made it thru  
Ooohhh, so if you see me cry  
It's just a sign that I'm, I'm still alive  
I got some scars, but I'm still alive  
In spite of calamity  
He still has a plan for me  
It's working out...
