

# Never Would Have Made It

Marvin Sapp

Never would have made it,  
Never could have made it, without you  
I would have lost it all,  
But now I see how you were there for me

And I can say  
Never would have made it,  
Never could have made it, without you

I would have lost it all,  
But now I see how you were there for me and I can say  
I'm stronger, I'm wiser,  
I'm better, much better

When I look back over all you brought me through  
I can see that you were the one I held on to  
And I never, never would have made it

Oh I never could have made it, never could have made it without you  
Oh I would have lost it all,  
Oh but now I see how you were there for me

I never, never would have made it  
No, I never, never could have made it without you

I would have lost my mind a long time ago,  
If it had not been for you  
I am stronger, I am stronger  
I am wiser, I am wiser  
Now I am better, I am better  
So much better, I am better

I made it through my storm  
And my test because you were there  
To carry me through my mess

I am stronger, I am stronger  
I am wiser, I am wiser  
I am better, I am better  
Anybody better, I am better

I can stand here and tell you,  
I made it  
Anybody out there that you made it

I am stronger, I am stronger  
I am wiser, I am wiser  
I am better, I am better  
Much better, I am better

I made it, I made it,  
I made it, I made it,  
I made it, I made it,  
I made it, I made it

Never would have made it, never would have made it  
Never could have made it, never could have made it without you

I would have lost my mind,  
I would have gave up,  
But you were right there,  
You were right there

I never, never would have made it  
Oh I never, never could have made it without you

Somebody just need to testify to someone next to 'em  
Tell 'em I am stronger,  
I am wiser,  
I am better, much better

When I look back over what he brought me through  
I realize I made it because I had you to hold on to,  
Now I am stronger,  
Now I am wiser  
I am better, so much better  
I made it

Is there anybody in this house other than me  
That can declare that you made it

Tell your neighbor,  
never would have made it, never would have made it  
Tell 'em  
never could have made it, never could have made it without you

Never would have made it, never would have made it  
Never could have made it, never could have made it without you

I just, I just love to encourage myself  
Sometimes I just look in the mirror and say,  
I am stronger,  
I am wiser  
I am better, so much better  
When I look back over what he brought me through  
I realize I made it because I had you to hold on to

But I never would have made it  
I never could have made it without you  
Good God almighty  
Never would have made it, never would have made it  
Never could have made it, never could have made it without you

Sing it one more time  
All I need is it one more time  
Everybody sing with me  
Never would have made it, never would have made it  
Never could have made it, never could have made it without you
