

New Thing

Marvin Sapp

The time is now
We can't wait any longer
For a new touch
Of fresh wind to spring forth
We've been here for a while
Anticipating and longing
For your presence
We're waiting for a new thing

We want to see you
More in every way
We open up our hearts
To hear your voice now
We've been here for a while
Anticipating and longing
For your power
We're ready for a new thing

Breath daily in this place
Saturate us with your presence
And your fresh oil now
We don't desire just another move
We want to embrace something new

We're ready for a new thing Jesus
We're ready for a new thing Jesus
We're ready for a new thing Jesus
Jesus, Jesus
...

Jesus, Jesus, Jesus, Jesus
We're ready, we're ready
We're ready for a new thing Jesus
...

Jesus, Jesus, Jesus, Jesus
I'm ready, I'm ready
I'm ready for a new thing Jesus
...

Jesus, Jesus, Jesus, Jesus
I'm ready, also ready
Really ready for a new thing Jesus
...
