

Place Of Worship

Marvin Sapp

Go find your place of worship
Look into your pain and find your praise
Every low place in your life
Prepared you for your hard place
Every tear you cried is water for
The garden of your victory

And even though you're in the valley,
Victory comes through your adversity
Go find your place of worship

Go find your place of worship
Look into your pain and find your praise
Every low place in your life
Prepared you for your hard place and
Every tear you cried is water for
The garden of your victory

[x3]

And even though you're in the valley,
Victory comes through your adversity

Go find your place of worship

Worship, I found my mine
Now I can say: Holy, Holy
Holy is the Lamb

[x7]

Righteous

Righteous is the Lamb

He's lovely, lovely, lovely, lovely, lovely, my God is lovely,
Lovely is the Lamb
