

# Praise Your Way Through

Marvin Sapp

Oh my goodness beloved when I consider all the things that he's done for me  
there's no way possible I can sit here idly I gotta question for you

How can you be so calm?  
How can you keep your seat?  
Tell me what did you come here for?  
Get up and praise the Lord with me  
I know your bills are due  
May have a car note too  
Remember it's not about you  
Get up and praise the Lord anyway

Listen  
No matter what you're going through  
Act like you know he's been good to you  
If you know he's been good get on your feet right now  
Woah

Come on and lift your voice (rejoice and be glad)  
Come on and raise your hand (and praise him in a dance say)  
Don't hold back (you've got to give him all you've got)  
Get up and praise the lord with me  
Come on and clap your hands (and give him a thunderous praise yeah)  
Shout it out loud (Jesus your name is to be praised)  
It don't matter how you feel (really don't matter)  
Get up and praise the Lord anyway

Listen my friends  
No matter what you're going through  
Act like you know he's been good to you  
Lift up those hands right now and bless his precious name  
Woah

And just praise your way through (praise your way through)  
Praise your way through (praise your way through)  
No matter what you're going through  
Just praise your way through  
Open up your mouth and praise your way through (praise your way through)  
Because I know the Lord is worthy (praise your way through)  
He's worthy to be praised (praise your way through)  
Come on and praise your way through (praise your way through)

Like the Hebrew boys in the fiery furnace (they praised)  
Like Paul and Silas locked up in jail (they praised)  
Don't you be silent praise'll bring you through  
Praise him through your situation come on

You reign in power and in might  
King of glory there's no one like you  
Lion of Judah we lift your name on high Jesus  
[x3]

Lord you are good and your mercy endureth  
You died upon a tree just to save a wretch like me said you're good  
Lord you are good and your mercy endureth  
You laid your life down, you laid your life down for me  
Lord you are good and your mercy endureth

I bless you at all times for your name is worthy to be praised  
Lord you are good and your mercy endureth  
I love you and I lift you, I lift you and I love you you're good

You're good, you're good, you're good  
And your mercy endureth  
You're good, you're good, you're good  
And your mercy endureth
