

Thank You for It All

Marvin Sapp

I thank You for it all
The good, bad, the ugly great and small
The times of victory and when I fall
I'm so grateful that I'm still standing tall

I thank You for my tears
The pain helped me overcome my fears
You been good to me down throughout the years
It's a miracle that I'm still standing here

All that I am is because all that You brought me through
And everything I survived it's all because of You

I thank You for it all
The good, bad, the ugly great and small (Mmm)
The times of victory and when I fall (Oh my)
I'm so grateful that I'm still standing tall (I thank you for my tears)

I thank you for the tears
The pain helped me overcome my fears (Pain helped me overcome my fears)
You been good to me down throughout the years (Yes, You have)
It's a miracle that I'm still standing here

All that I am is because of all that You brought me through (And everything)
And everything (Everything) I survived it's all because of You (Mmm)

How can I say thank You for all the ways You've made for me? (I can't thank
You enough)
The doors You opened up, the times You were there, always making a way for m
e (I can't thank You enough)
My heart cannot express the gratitude that I feel for You right now (I can't
thank You enough)
So I just have to pause for more than right now and say
I gotta say thank You

Thank You (Thank You) for all that You've done for me (For all that You've d
one for me)
Oh, thank You for every opportunity (For every opportunity)
I gotta say thank You (Thank You)
I gotta tell You thank You for all the ways You made (Always made a way)
Oh Lord
I just wanna say, I just wanna say (I just wanna say)
Thank You for my life (For my life)
Thank You, thank You (For my health)
Thank You (Thank You), thank You (Thank You)
Ooh

I thank You for it all
The good, bad, the ugly great and small
The times of victory and when I fall
I'm so grateful that I'm still standing tall

All that I am is because all that You brought me through
And everything I survived it's all because of You
I'm grateful for You
