

## We Worship You Today

Marvin Sapp

My life is a testimony, my heart is an open vessel.  
My will is the part that yields to Your will.  
My walk is the way You lead me,  
my talk is the words You feed,  
my praise is the sweetest sound to Your ears.

Hallelujah, we worship You today.

I live 'cause You have allowed,  
I give 'cause You showed me how;  
I'm here as a testimony to You.  
There's no place I'd rather be,  
there's no other God for me,  
there's no other name I give all the praise.

Hallelujah, we worship You today.

We worship, we worship, we worship,  
we worship, we worship, we worship,  
we worship, we worship, we worship,  
we worship You today.

Hallelujah, we worship You today.
