

# Whosoever Will

Marvin Sapp

Whosoever will  
God is waiting still  
Draw nigh to Him  
Be cleansed within  
Whosoever will  
God is waiting still  
Draw nigh to Him  
Be cleansed within

God has given us all  
A chance to come  
Just as you are  
And He's given us time  
To make up our mind  
Who we will serve

He has heard our cry  
He is waiting  
He's standing right by

Whosoever will  
God is waiting still  
Draw nigh to Him  
Be cleansed within  
Whosoever will  
God is waiting still  
Draw nigh to Him  
Be cleansed within

Time is drawing nigh  
Won't hurt to try  
Please heed His call  
Though we're here today  
Who's to say  
Tomorrow will ever come

If you come unto Him  
He will know [?]  
Cast you out

Whosoever will  
God is waiting still  
Draw nigh to Him  
Be cleansed within  
Whosoever will  
God is waiting still  
Draw nigh to Him  
Be cleansed within

With open arms  
He's waiting to receive you  
Why won't you come  
Just as you are  
This is the day  
Now is the acceptable time  
You ought to choose Him today  
Or you might be left behind

Whosoever will  
Whosoever will  
Come let him come  
Whosoever will  
Whosoever will  
Come let him come  
Whosoever will  
Whosoever will  
Come let him come  
Whosoever will  
Whosoever will  
Come let him come  
Come let him come  
Come let him come  
Come let him come

Listen  
No matter you're goin' through  
All ye who are weary  
Come let him come  
All ye that labour  
Come let him come  
Come let him come  
Whosoever will  
Let him come  
All ye who are weary  
Let him come
