

Won't Let Go

Marvin Sapp

I've been waiting for a blessing
I've been holding on
I've been pressing
Even though it is late,
I know it's not denied
So I keep on praising your name
in the meantime
Although the way, it may seem weary
This one thing I know
Until you bless my spirit,
I'll keep holding on

I won't let go
Until you bless my soul
Holding on until you bless me
Just like Job I'm holding on
Won't let go until you bless me

Said I've been waiting on a blessing
I've been holding on
Said I've been pressing
Even though it is late,
I know it's not denied
So I keep on praising your name
in the meantime
Although the way, it may seem weary
This one thing I know
Until you bless my spirit,
I'll keep holding on

I won't let go
Until you bless my soul
Holding on until you bless me
Just like Job I'm holding on
Won't let go until you bless me
