

# Yes You Can

...

Yes you can  
Yes you can  
Oh yes you can  
Yes you can  
Yes you can  
Oh yes you can  
They thought that I'd be weak  
But you made me strong  
They thought that I would crumble  
But they were so wrong.  
You held my hand and encouraged me to stand  
When they said I couldn't do it  
I heard you say  
You said yes you can

Gotta sing it one more time  
They thought that I'd be weak  
But you made me strong  
You see They thought that I would crumble  
But they were so wrong.  
You held my hand and encouraged me to stand  
When they said I couldn't do it  
I heard you say  
You said yes you can

I overcame oh  
cause you said yes you can  
And everyday I'm getting stronger  
cause you said yes you can  
I'm No longer doubting  
cause you said yes you can  
So here my time to tell somebody  
Cause god said yes you can

Sing it with me  
Yes You can (ooh)  
Yes You can  
Oh Yes You can  
Yes You can  
Yes You can  
Oh Yes You can

Said they'd never leave  
When I was down they walked away  
And Out of everyone I lost, I heard you say  
You were the one who stayed  
But you held my hand and encouraged me to stand

When they said I couldn't do it  
I heard you say  
You said yes you can

I over came oh  
Because you said yes you can  
And everyday I'm getting stronger  
Because you said yes you can

I'm No longer doubting  
Because you said yes you can  
So it's here my time to tell somebody  
Cause god said yes you can

Listen  
in your life  
there will be oppositions  
Change your mind  
About your current condition (oh my)  
Just believe  
With the Lord on your side, you can do anything.  
God says Yes you can

He said I can I know I will  
Triumph over the enemy  
(Sing it with me, sing it say)  
He said I can I know I will  
Triumph over the enemy  
He said I can I know I will  
Triumph over the enemy  
Triumph over the enemy  
(With everything I face)  
Triumph over the enemy  
(With every trial and test)  
Triumph over the enemy  
Triumph over the enemy  
God says yes you can x4  
God says yes you can x4  
God says yes you can x4  
You can  
He said I can I know I will  
Triumph over the enemy  
Remember You can
