

## Fall At Your Feet

Mary Black

I'm really close tonight  
I feel like I'm moving inside him lying in the dark  
I think that I'm beginning to know him  
Let it go, I'll be there when you call

And whenever I fall at your feet  
Won't you let your tears rain down on me?  
Whenever I touch your slow turning pain

Don't hide it from me now  
There's something in the way that you're talking  
Words don't sound right, I hear them all moving inside you  
You know, I'll be waiting when you call

And whenever I fall at your feet  
Won't you let your tears rain down on me?  
Whenever I touch your slow turning pain

The finger of blame has turned upon itself  
And I'm more than willing to offer myself  
Do you want my presence or need my help?  
Who knows where that might lead, I fall, I fall

And whenever I fall at your feet  
Won't you let your tears rain down on me?  
Whenever I touch your slow turning pain
