I have been wond'ring
What I'm gonna do
While you are sleeping
Am I sleeping too
Well I'm just sittin' here lovin' you
Close my eyes and lovin' you
Oh I'm just sittin' back
Sittin' here lovin' you

If you've been wond'rin

Just what I would do

If I weren't sleeping

Had I not found you

Well I'd be outside finding you

I'd be walkin' down avenue finding you

Oh I'm just sittin' here lovin' you

Oh the reason that you never see me runnin' round Fingers on my forehead couldn't calm me down And I can't even get me up and on my feet I have to take care of some bus'ness on the street Oh I have been walkin' all my streets alone I'd keep on walkin' to keep from goin' home I couldn't quite barely conceive of you Now I can't conceive of ever leavin' you Oh I'm just stittin' back Sittin' here lovin' you

Oh I'm just sittin' here lovin' you Oh I'm just sittin' back Sittin' here lovin' you
