## **Mary Chapin Carpenter**

I'm all alone, so come on over, baby Right now, right now I'm all alone, so come on over, baby Right now, right now Oh, don't make 'em wait, child; don't you hesitate Come on along, come on along I want to dance; I need romance, baby Right now, right now I want to dance; I need romance, baby Right now, right now Oh, don't let me down, child; don't you mess around Let's think of something to do and let's do it Let's think of somewhere to go; let's go And when you put your lovin' arms around me Oh, you know how I love you so I need a thrill; say you will, baby Right now, right now I need a thrill; say you will, baby Right now, right now Oh, don't let me down, child; don't you mess around Come on along, come on along
