

# Simple Life

Mary Chapin Carpenter

You're making lists today of all the things you haven't done yet

You're driving everyone crazy, are you having any fun yet  
Mother says you ought get married, shrink says here's a little blue pill

Too young for your mid-life crisis, mirror says you're over the hill

There's nothing wrong with you  
The simple life gets complicated  
There's nothing you can do  
Just enjoy the view be glad you made it

You're making resolutions and it isn't even new year's  
You could try a new religion, you could wait until the dust clears

Friends say you're way too choosy, shrink says see you next week

Guru says control your breathing you're afraid you might have peaked

There's nothing wrong with you  
The simple life gets complicated  
There's nothing you can do  
Just enjoy the view be glad you made it

'Cause things could be better  
'Cause things could be worse  
'Cause life can be charmed and cursed  
There's fast, slow and stall, no reverse

You're making lists today of all the things you haven't done yet

You're driving everyone crazy, are you having any fun yet

There's nothing wrong with you  
The simple life gets complicated  
There's nothing you can do  
Just enjoy the view be glad you made it

There's nothing wrong with you  
The simple life is over rated  
There's nothing you can do  
Just enjoy the view be glad you made it
