

# Everything

Mary J. Blige

You are my everything  
You are my everything  
You, my everything  
Everything, everything, everything

It's all because of you  
I'm never sad and blue  
You've brightened up my days  
In your own special way  
Whenever you're around  
I'm never feeling down  
You are my trusted friend  
On you I can depend

You take me away  
From the pain  
And you bring me paradise  
And when there were cloudy  
days you brought sunshine in my life  
It never occurred  
To me the first time I saw your face  
I would fall so deep in love  
That your love can't be replaced

You are my everything (you are my everything)  
love so good, so good only you can bring  
You are my everything  
You are everything  
and everything is you

My darling only you  
Can make my dreams come true  
And every night I pray  
You'll never go away  
I promise I will try  
Until the day I die  
To treat you like a king  
Cause you are my everything

You are my everything (you are my everything)  
love so good, so good only you can bring  
You are my everything  
You are everything  
and everything is you

You are everything  
And everything is you

When you're lovin me  
Put your lovin arms around me  
When you're lovin me  
Said I feel so safe I found security  
When you're lovin me  
Forever I want you home with me  
My everything  
my every every every everything

You are my everything (you are my everything)  
love so good, so good only you can bring  
You are my everything  
You are everything  
and everything is you

You take me away
