I Found My Everything

Mary J. Blige

Everything (mmmm)
In you (mmmm)
I found my everything (mmmm)
And I trust in you (mmmm)
I found my...

Can't you see, look at my face it's glowing
And it's all because of you
(Everything)

Everything about ya, ya see I need
And I thank God for sending you through

(I found my everything)
Ya see I found, my everything (in you)
In you
(I found my everything)
Ya see I found everything and I (and I trust in you)
I trust in you
(I found my everything)

Ooo, the way you kiss me it's like a real man (mmmm)
I leave the prom when I
Look in your eyes baby (mmmm yeah, every night)
And every night is like a highlight baby
And there's no better keeper than you
Oh, naw naw naw

You're someone who
Understands me
Needs to hold me
Really feels me
You're the one I love
You're the one that I need
I knew you'd find me
Stick beside me
Won't deny me
You define me now my world feels so free

(I found my everything)
Ya see I found, my everything (in you)
In you (I found my everything)
See I found my everything and I (and I trust in you)
I trust in you
(I found my everything)
Yeah, see I found
Every, every, every, every (in you)
In you (I found my everything)
I found (ooh ooh)
I found (and I trust in you)
I put my trust in you
You

Now I know just
What I wanted
What I needed
Where I'm going

I can see much clearer now
I'm glad I found you, you, you, you
I love it when ya
Love me tender
Hold me tight
Through the night
Seems like we met
In heaven before this earth

You're someone who
Understands me
Needs to hold me
Really feels me
You're the one I love
You're the one that I need
You won't deny me
Justify me
Now my world
Now my world
Feels...so... freeeeee

This time is the greatest
That I've ever felt before, oh oh (who)
You've given me a reason to smile
Cause I never had a reason to smile before
(I found my everything)
See I found e-everything in you (in you)
Youuuu (I found my everything)
I found my everything in you (and I trust in you)
Yoooou
(I found my everything)
E-e-e-everything
E-e-e-everything
E-e-e, E-e-everything, I-I-I
