

I Love You

Mary J. Blige

Ohhhhh

All those pretty memories,
I know you can hear me now
For the record,
I love you, I love you

When I found out that you were leaving me,
I couldn't sleep thinking about
All the things that we've been through
Now all that I want to do
Is tell you that I, (I)
Miss you...so much...
(You know I really really miss you...)

All those pretty memories,
I know you can hear me now
For the record,
I love you, I love you

Now that I'm on my own
I know that in time I'll find somebody new
(Who'll treat me better than you)
So I'll go all alone without you
But I still love you
You know I'll never live without you

All those pretty memories,
I know you can hear me now
For the record,
I love you, I love you

I wish you'd change your ways soon enough
So we can be together
You just don't understand good enough
But now all we have is memories...

Memories we shared
No one else could compare
Ohh, I miss you, I miss you
Oh I miss you

...of the way we used to be,
Oh, those pretty memories

Oh.....
I miss you...
I miss you...
Oh, I miss you...
Ohh...
