

# I Never Wanna Live Without You

Mary J. Blige

Can't live without you  
(Can't live without you)  
Can't live without you, baby  
(Ohhh)  
Can't live without you

I never wanna live without you baby  
I wanna be your lady  
Love is sooo amazing

I never wanna live without you baby  
I wanna be your lady  
Love is sooo amazing

What is this feeling? I can't sleep at night  
Just thinking 'bout being without you  
Work 'til I'm tired and I can't eat a bite  
'Cause I know someday is only...

I never wanna live without you baby  
I wanna be your lady  
Love is sooo amazing

I have the man that I want  
I prayed so many nights for you and then my prayers came true  
Now that I have the answer, I'll be wishing on a star  
I'll follow you where you are

I don't wanna be alone so baby let's stay together  
Through any kind of weather, yeah  
Let's make a happy home because you mean so much to me baby  
That's why I wanna be your lady

I never wanna live without you baby  
I wanna be your lady  
Love is sooo amazing

I never wanna live without you baby  
I wanna be your lady  
Love is sooo amazing

I don't wanna be alone so baby let's stay together  
Through any kind of weather  
Let's make this a happy home because you mean so much to me baby  
That's why I wanna be your lady

Baby, won't you stay with me a little while?  
(Baby, won't you stay?)  
Baby, won't you stay with me a little while?  
(Stay with me for a little while)  
Baby, won't you stay with me a little while?  
(All I wanna know is...)  
Baby, won't you stay with me a little while?  
(...can you stay?)  
Won't you stay with me?  
I need you  
Oh, I need you

I need your warm embrace  
I need your sweet, sweet taste, baby  
C'mon, c'mon. C'mon, C'mon  
Stay with me  
Stay, stay
