

# Keep It Moving

Mary J. Blige

Some come around me try to call my bluff  
Pushin my buttons just to see if im tough  
Behind my back spreadin all kind of lies  
Cause' your an agent workin on both sides  
Hangin around me tryin ta get some shine  
You're mad at me because I work for mine  
Blood, sweat, and tears just to make a dime  
While you sit back and try to take whats mine

Don't let em push you to the limit cause they like it a lot  
And if they not witcha then tell them to just  
Keep it moving (Keep It Moving)  
Keep it moving, yeah (keep it moving, yeah yeah)  
Cause you don't even got no business hating on me  
And I'm sorry that you feel this way but you can just keep  
Keep it movin (keep it movin)  
Keep it movin yeah

(Spiritually, mentally, physically)  
I'm tryin-my best  
To better myself  
And no one else  
But your so busy thinkin  
That this money's gonna turn me to someone else  
And settle for less

Get your own life  
On your own time  
Stop hangin around,  
Tryin to drain me dry  
I've been broke before  
Can't do it no more  
But if I have to  
It won't be over you  
No one in this world  
Can make me self-destruct  
If you listen real close you would hear just  
What I'm tryin to  
Say to you  
You and your crew  
So stop sittin round waitin on me to loose

Don't let em push you to the limit cause they like it a lot  
And if they not witcha then tell them to just (no,no,no)  
Keep it moving (Keep It Moving)  
Keep it moving, yeah (keep it moving, yeah yeah yeah)  
Cause you don't even got no business hating on me (You ain't got no business  
)  
And I'm sorry that you feel this way but you can just keep (You ain't got no  
business hating on me)  
Keep it movin (You don't even know me)  
Keep it movin yeah (yeah yeah yeah!)  
Don't let em push you to the limit cause they like it a lot (Don't let em pu  
sh you)  
And if they not witcha then tell them to just (ooh,oh,ho,ho)  
Keep it moving (Keep It Moving, yeah)  
Keep it moving, yeah (keep it moving, yeah yeah)

Cause you don't even got no business hating on me  
And I'm sorry that you feel this way but you can just keep (sorry that you feel this way)  
Keep it movin (so sorry that you feel this way)  
Keep it movin yeah

-But I work for Mine  
oh oh oh oh  
oh aye aye yeah  
yeah yeah  
oh hooo

Don't let em push you to the limit cause they like it a lot  
And if they not witcha then tell them to just (Don't let em push ya)  
Keep it moving (Keep It Moving)  
Keep it moving, yeah (ooh yeah yeah)  
Cause you don't even got no business hating on me (You ain't got no business )  
And I'm sorry that you feel this way but you can just keep (You Don't even know me)  
Keep it movin (I'm just tryin to tell you yeah)  
Keep it movin yeah (yeah, yeah yeah)  
Don't let em push you to the limit cause they like it a lot (Let em Push you)  
And if they not witcha then tell them to just (I'm not gonna let em')  
Keep it moving (I said I'm not gonna let em!)  
Keep it moving, yeah (push me over no mountain)  
Cause you don't even got no business hating on me (no cliff, no building)  
And I'm sorry that you feel this way but you can just keep (I, I, I)  
Keep it movin (keep it movin) (gon' with that)

Chorus:

Don't let em push you to the limit cause they like it a lot (gon', gon' gon' gon' gon')

And if they not witcha then tell them to just  
Keep it moving (If you're not with me)  
Keep it moving, yeah (Then they're not with my family)  
Cause you don't even got no business hating on me (keep it movin yeah, keep it movin yeah, keep it movin yeah)  
And I'm sorry that you feel this way but you can just keep  
Keep it movin (keep it movin)  
Keep it movin yeah

Don't let em push you to the limit cause they like it a lot (Don't let em')  
And if they not witcha then tell them to just (Can't let em, Can't let them push me)  
Keep it moving  
Keep it moving, yeah (Gotta keep it movin)  
Cause you don't even got no business hating on me (Everybody tryin to test the water)  
And I'm sorry that you feel this way but you can just keep (Always wanna see about and saying what I am)  
Keep it movin (In every magazine)  
Keep it movin yeah (But that makes me down to the nitty griitty)
