

No Condition

Mary J. Blige

Heyyyyyyyyyyy
Woahhhhhhhhh
Heyyyyyyyyyyy
Woahhhhhhhhh

Can't even hide it, it's written on my face
And I don't have any more time or energy to waste
So I'm waving my white flag
Sad it has to be like that
It ain't working out baby in another life or space

Oh I
Baby, I gave you
Ohhhhhh
Everything that I could give you
Sooo I made my decision
Loving you's been a mission

Nowwww I'm in no condition
To love you (No more)
Nowwww I'm in no condition (ummm)
Heyyyyyyyyyyy
Woahhhhhhhhh
Heyyyyyyyyyyy (Said I'm waving my white flag)
Woahhhhhhhhh (Sad it has to be like that)

Barely any happy days, we always seem to have drama (Too much Drama)
And it's really weighing heavy on me baby
Both of us acting crazy
I hate it when we fight
Middle of the night
Always seems to remind me
Love, how much it hurts
To know it's getting worse
My faith in us is slowly dying

Oh I
Baby, I gave you
Ohhhhhh
Everything that I could give you
Sooo I made my decision
Loving you's been a mission

Nowwww I'm in no condition
To love you (No more)
I'm in no condition
Heyyyyyyyyyyy (Hey)
Woahhhhhhhhh
Heyyyyyyyyyyy
Woahhhhhhhhh

Heyyyyyyyyyyy (I'm in no condition to love)
Woahhhhhhhhh (I'm in no condition to love)
Heyyyyyyyyyyy (I'm in no condition to love)
Woahhhhhhhhh (No Condition!)

How did you go from being my best friend to me barely even wanting your affe

ction?
I never would've thought (Hey)
That I would be so unhappy
Ohhhhhh oh

Hold me Down (Oh)

Even though it's sad to say it's over now
I can't love you under these conditions!

Oh I
Baby, I gave you
Ohhhhhh
Everything that I could give you
Sooo I made my decision
Loving you's been a mission

So I made my decision
Loving you's been a mission
