

Ooh!

Mary J. Blige

In the middle of the night.
When you hold me tight.
Say it's all right.
I'm yours forever.
I do what you want.
If you don't hurt me.
I'll cook and clean.
I'll make you happy.

And ooh!
What you do to me.
Ooh! You're my everything.
And ooh! I'm so glad I found you.
Ooh! I can't live wit out you.

Got a Jones in my bones.
And it's all for you baby.
Can't leave you alone.
I'm so addictive.
I can't shake this thang.
It's the sweetest pain.
So who's your girl?
You better say my name.

And ooh! What you do to me.
Ooh! You're my everything.
And ooh! I'm so glad I found you.
Ooh! I can't live wit out you.

What you do to me, it's just a mystery.
It's hard to believe that you our here with me.
Making all my dreams a sweet reality.
All my life I tried to find what is best for me.

And ooh!
What you do to me.
Ooh! You're my everything.
And ooh! I'm so glad I found you.
Ooh! I can't live wit out you.
