When You're Gone

Mary J. Blige

Seems like we were right But you always have a problem with everything Appreciate your advise but sometimes I have trouble managing Now that I'm paying attention I see how beautiful you are But when you spend so much time together now everything can get so dark Oh when you're gone I'd miss you like I did when we were first together No one in this world could hold me better Just tell me when you're coming home When you're gone I'd miss you like you took a piece of me with you Didn't think I'd care that much, did ya? Just tell me when you're coming home Seems like we were right But today I woke on the wrong side I need silence to keep me right Otherwise the day won't be nice I wanna laugh with you again just like you are my best friends But friends can always breathe And we're too close, and too close is never easy Oh when you're gone I'd miss you like I did when we were first together No one in this world could hold me better Just tell me when you're coming home When you're gone I'd miss you like you took a piece of me with you Didn't think I'd care that much, did ya? Just tell me when you're coming home I'm not alone Until you leave me Now we all get to sleep tonight Cause you're not here beside me When you're away it's never easy You make it all alright, I miss you When you're gone I'd miss you like I did when we were first tog ether No one in this world could hold me better Just tell me when you're coming home When you're gone I'd miss you like you took a piece of me with you Didn't think I'd care that much, did ya? Just tell me when you're coming home
