

Don't Let Me Be Lonely Tonight

Mary MacGregor

Do me wrong, and do me right
Tell me lies but hold me tight
Don't say goodbye till the morning light
And don't let me be lonely tonight

Say goodbye, and say hello
Sho-nuff good to see you, but it's time to go
Don't say yes, but don't say no
I don't want to be lonely tonight

Go away then, damn you! Go on and do as you please
'Cause you ain't gonna see me gettin' down on my knees
I'm undecided, and your heart's been divided
You've been turnin' my world upside down

You do me wrong, you do me right
You tell me lies, but hold me tight
Don't say goodbye till the morning light
I don't want to be lonely tonight

Go away then, damn you! Go on and do as you please
'Cause you ain't gonna see this girl gettin' down on her knees
I'm undecided, and you, you've been divided
You've been turnin' my world upside down

Say goodbye, and say hello
You know it's good to see ya, but it's time to go
You don't have to say yes, but please don't say no
'Cause I don't want to be lonely
Oh, don't you let me be lonely
I don't want to be lonely tonight
