

# Never Give Up

Mary MacGregor

Feelings come and go, but this I know:  
We both believe in what we lost, mm  
No matter what they say, won't take away our steam  
Believe in us

Don't you ever give up, never give up on me, babe  
And I'll never give up, never give up on you  
If we never give up, never give up on love we have  
Then our love will see us, our love will see us through

As the feelings go, a feeling's though I'm singin' in your eyes  
Far below of faith, it's so out of reach from our hands  
A favourable smile

Don't you ever give up, never give up on me, babe  
And I'll never give up, never give up on you  
If we never give up, never give up on love we have  
Then our love will see us, our love will see us through

I'll take the time to say "I love you", yes I do, babe  
You're takin' time to show why  
I may not be everything you need  
Babe, because I'm gonna try, 'cause I try

Don't you ever give up, never give up on me, babe  
And I'll never give up, never give up on you  
If we never give up, never give up on love we have  
Then our love will see us through  
Yes, oh yes, oh...

Don't you ever give up, never give up  
Never give up, never give up  
Don't you ever give up, never give up  
Never give up, never give up  
Don't you ever give up, never give up  
Never give up, never give up  
Never give up, never give up  
Never give up, never give up  
Never give up, never give up  
Don't you ever give up, never give up  
Never give up, never give up  
Don't you ever give up, never give up  
Never give up, never give up  
Don't you ever give up, never give up  
Never give up, never give up
