There will be mountains that I will have to climb And there will be battles that I will have to fight But victory or defeat, it's up to me to decide But how can I expect to win If I never try.

I just can't give up now
I've come too far from where I started from
Nobody told me the road would be easy
and I don't believe he brought me this far to leave me

Never said there wouldn't be trials

Never said I would't fall

Never said that everything would go the way I want it to go

But when my back is against the wall

And i feel all hope is gone,

I'll just lift my head up to the sky

And say help me to be strong

I just can't give up now
I've come too far from where I started from
Nobody told me the road would be easy
and I don't believe he brought me this far to leave me

No you didn't bring me out here to leave me lonely Even when I can't see clearly I know that you are with me(so I can't)

I just can't give up now
I've come too far from where I started from
Nobody told me the road would be easy
and I don't believe he brought me this far to leave me(4x)
