

# I'll walk tall (Aufrecht Geh'n)

Mary Roos

Now we've said goodbye, I'm feelin' so much better  
Tryin' not to cry, I'll make it on my own  
I know it won't be easy but I've got faith in me  
I'll prove to you, I can make it through  
I'll walk tall, I'll walk tall  
Unless you learn to stand up when I fall, I'll walk tall, walk tall  
Unless you learn to stand up, when I fall  
We have pride in our eyes that's why the tears in my face  
Walk tall through the night  
I'll walk tall  
If you change your mind, you know, it just might happen  
I'll be long since gone, 'cause waiting's not my style  
And if, by chance, we do meet and your lips try to kiss  
I'll be strong enough to tell it like it is  
To tell it like it is  
'Cause I'll walk tall, walk tall  
Unless you learn to stand up when I fall, I'll walk tall, walk tall  
Unless you learn to stand up, when I fall  
We have pride in our eyes that's why the tears in my face  
I walk tall through the night  
Know that I'm right  
That's right come on  
Give it to me know  
Yeah!  
Oh!  
Yeah!  
The truth can sometimes taste so bitter  
While I laugh and still, I'm hurting still  
It's me who's picking up all those pieces  
I know that I can win, and when I will  
I know that I can win, and when I will  
I know that I can win, and when I will  
I know that I can win, and when I will  
I know that I can win, and when I will  
I'll walk tall, I'll walk tall  
Unless you learn to stand up when I fall, I'll walk tall, walk tall  
Unless you learn to stand up, when I fall  
We have pride in our eyes that's why the tears in my face  
I walk tall through the night  
Know that I'm right (right)
